Project Objective

The objective of this project is to design the visual identity of **Future Mall**.

The project includes creating logo ideas, selecting a suitable color palette, designing the final logo, and preparing an advertisement for the mall's grand opening.

Project Requirements

The project includes:

- Two Logo Sketches
- Color Palette

- Final Logo
 - Advertisement
-

Logo Sketches

The first step was creating two different logo concepts for Future Mall.

Sketch 1

A shopping bag combined with the letter **F** represents shopping and the Future Mall brand.

Sketch 2

A mall building with a location pin represents the shopping destination and helps customers recognize the mall.

Color Palette

Three colors were selected for the Future Mall visual identity.

Color	Meaning
 Blue	Trust, security, and professionalism
 Orange	Energy, shopping, and excitement
 White	Simplicity, cleanliness, and modern design

These colors create a modern and attractive identity for the mall.

Final Logo

The final logo combines a shopping bag with the letter **F** to create a simple and memorable brand identity.

The selected colors make the logo modern and suitable for a shopping mall.

Advertisement

The advertisement was designed to announce the grand opening of **Future Mall**.

It includes:

- Future Mall logo
- Grand Opening title
- Slogan
- Opening date
- Attractive design for customers

Conclusion

The Future Mall visual identity was successfully designed by creating two logo ideas, selecting a suitable color palette, designing the final logo, and preparing a promotional advertisement.

The final design reflects a modern shopping mall identity and provides a professional appearance for marketing and branding purposes.
